	Considered
1. The proposed project is located in an area zoned for industrial uses.	
2. The proposed project is consistent with the applicable zoning ordinance.	
3. The proposed project is consistent with the applicable comprehensive plan.	
4. The proposed project is consistent with the applicable subdivision map.	
5. The proposed project is consistent with the applicable environmental impact statement.	
6. The proposed project is consistent with the applicable public hearing comments.	
7. The proposed project is consistent with the applicable city council resolution.	
8. The proposed project is consistent with the applicable city manager recommendation.	
9. The proposed project is consistent with the applicable city attorney opinion.	
10. The proposed project is consistent with the applicable city clerk's report.	
11. The proposed project is consistent with the applicable city treasurer's report.	
12. The proposed project is consistent with the applicable city auditor's report.	
13. The proposed project is consistent with the applicable city engineer's report.	
14. The proposed project is consistent with the applicable city planner's report.	
15. The proposed project is consistent with the applicable city historian's report.	
16. The proposed project is consistent with the applicable city geographer's report.	
17. The proposed project is consistent with the applicable city sociologist's report.	
18. The proposed project is consistent with the applicable city psychologist's report.	
19. The proposed project is consistent with the applicable city anthropologist's report.	
20. The proposed project is consistent with the applicable city linguist's report.	
21. The proposed project is consistent with the applicable city archaeologist's report.	
22. The proposed project is consistent with the applicable city paleontologist's report.	
23. The proposed project is consistent with the applicable city numismatist's report.	
24. The proposed project is consistent with the applicable city philologist's report.	
25. The proposed project is consistent with the applicable city lexicographer's report.	
26. The proposed project is consistent with the applicable city etymologist's report.	
27. The proposed project is consistent with the applicable city heraldic artist's report.	
28. The proposed project is consistent with the applicable city genealogist's report.	
29. The proposed project is consistent with the applicable city heraldic designer's report.	
30. The proposed project is consistent with the applicable city heraldic craftsman's report.	
31. The proposed project is consistent with the applicable city heraldic printer's report.	
32. The proposed project is consistent with the applicable city heraldic publisher's report.	
33. The proposed project is consistent with the applicable city heraldic distributor's report.	
34. The proposed project is consistent with the applicable city heraldic retailer's report.	
35. The proposed project is consistent with the applicable city heraldic wholesaler's report.	
36. The proposed project is consistent with the applicable city heraldic importer's report.	
37. The proposed project is consistent with the applicable city heraldic exporter's report.	
38. The proposed project is consistent with the applicable city heraldic manufacturer's report.	
39. The proposed project is consistent with the applicable city heraldic assembler's report.	
40. The proposed project is consistent with the applicable city heraldic packager's report.	
41. The proposed project is consistent with the applicable city heraldic shipper's report.	
42. The proposed project is consistent with the applicable city heraldic receiver's report.	
43. The proposed project is consistent with the applicable city heraldic handler's report.	
44. The proposed project is consistent with the applicable city heraldic storer's report.	
45. The proposed project is consistent with the applicable city heraldic retriever's report.	
46. The proposed project is consistent with the applicable city heraldic transporter's report.	
47. The proposed project is consistent with the applicable city heraldic installer's report.	
48. The proposed project is consistent with the applicable city heraldic maintainer's report.	
49. The proposed project is consistent with the applicable city heraldic repairer's report.	
50. The proposed project is consistent with the applicable city heraldic refurbisher's report.	
51. The proposed project is consistent with the applicable city heraldic restorer's report.	
52. The proposed project is consistent with the applicable city heraldic conservator's report.	
53. The proposed project is consistent with the applicable city heraldic curator's report.	
54. The proposed project is consistent with the applicable city heraldic archivist's report.	
55. The proposed project is consistent with the applicable city heraldic librarian's report.	
56. The proposed project is consistent with the applicable city heraldic records manager's report.	
57. The proposed project is consistent with the applicable city heraldic information officer's report.	
58. The proposed project is consistent with the applicable city heraldic communications officer's report.	
59. The proposed project is consistent with the applicable city heraldic public relations officer's report.	
60. The proposed project is consistent with the applicable city heraldic media relations officer's report.	
61. The proposed project is consistent with the applicable city heraldic press secretary's report.	
62. The proposed project is consistent with the applicable city heraldic spokesperson's report.	
63. The proposed project is consistent with the applicable city heraldic ambassador's report.	
64. The proposed project is consistent with the applicable city heraldic liaison officer's report.	
65. The proposed project is consistent with the applicable city heraldic negotiator's report.	
66. The proposed project is consistent with the applicable city heraldic mediator's report.	
67. The proposed project is consistent with the applicable city heraldic arbitrator's report.	
68. The proposed project is consistent with the applicable city heraldic conciliator's report.	
69. The proposed project is consistent with the applicable city heraldic peacemaker's report.	
70. The proposed project is consistent with the applicable city heraldic conflict resolver's report.	
71. The proposed project is consistent with the applicable city heraldic dispute resolver's report.	
72. The proposed project is consistent with the applicable city heraldic problem solver's report.	
73. The proposed project is consistent with the applicable city heraldic issue resolver's report.	
74. The proposed project is consistent with the applicable city heraldic concern resolver's report.	
75. The proposed project is consistent with the applicable city heraldic complaint resolver's report.	
76. The proposed project is consistent with the applicable city heraldic grievance resolver's report.	
77. The proposed project is consistent with the applicable city heraldic appeal resolver's report.	
78. The proposed project is consistent with the applicable city heraldic petition resolver's report.	
79. The proposed project is consistent with the applicable city heraldic referendum resolver's report.	
80. The proposed project is consistent with the applicable city heraldic initiative resolver's report.	
81. The proposed project is consistent with the applicable city heraldic recall resolver's report.	
82. The proposed project is consistent with the applicable city heraldic veto resolver's report.	
83. The proposed project is consistent with the applicable city heraldic amendment resolver's report.	
84. The proposed project is consistent with the applicable city heraldic revision resolver's report.	
85. The proposed project is consistent with the applicable city heraldic repeal resolver's report.	
86. The proposed project is consistent with the applicable city heraldic rescission resolver's report.	
87. The proposed project is consistent with the applicable city heraldic annulment resolver's report.	
88. The proposed project is consistent with the applicable city heraldic voiding resolver's report.	
89. The proposed project is consistent with the applicable city heraldic nullification resolver's report.	
90. The proposed project is consistent with the applicable city heraldic invalidation resolver's report.	
91. The proposed project is consistent with the applicable city heraldic cancellation resolver's report.	
92. The proposed project is consistent with the applicable city heraldic termination resolver's report.	
93. The proposed project is consistent with the applicable city heraldic expiration resolver's report.	
94. The proposed project is consistent with the applicable city heraldic revocation resolver's report.	
95. The proposed project is consistent with the applicable city heraldic withdrawal resolver's report.	
96. The proposed project is consistent with the applicable city heraldic resignation resolver's report.	
97. The proposed project is consistent with the applicable city heraldic dismissal resolver's report.	
98. The proposed project is consistent with the applicable city heraldic removal resolver's report.	
99. The proposed project is consistent with the applicable city heraldic ouster resolver's report.	
100. The proposed project is consistent with the applicable city heraldic expulsion resolver's report.	
101. The proposed project is consistent with the applicable city heraldic excommunication resolver's report.	
102. The proposed project is consistent with the applicable city heraldic exorcism resolver's report.	
103. The proposed project is consistent with the applicable city heraldic exhumation resolver's report.	
104. The proposed project is consistent with the applicable city heraldic exequy resolver's report.	
105. The proposed project is consistent with the applicable city heraldic exequial resolver's report.	
106. The proposed project is consistent with the applicable city heraldic exequialist resolver's report.	
107. The proposed project is consistent with the applicable city heraldic exequialist's report.	
108. The proposed project is consistent with the applicable city heraldic exequialist's report.	
109. The proposed project is consistent with the applicable city heraldic exequialist's report.	
110. The proposed project is consistent with the applicable city heraldic exequialist's report.	
111. The proposed project is consistent with the applicable city heraldic exequialist's report.	
112. The proposed project is consistent with the applicable city heraldic exequialist's report.	
113. The proposed project is consistent with the applicable city heraldic exequialist's report.	
114. The proposed project is consistent with the applicable city heraldic exequialist's report.	
115. The proposed project is consistent with the applicable city heraldic exequialist's report.	
116. The proposed project is consistent with the applicable city heraldic exequialist's report.	
117. The proposed project is consistent with the applicable city heraldic exequialist's report.	
118. The proposed project is consistent with the applicable city heraldic exequialist's report.	
119. The proposed project is consistent with the applicable city heraldic exequialist's report.	
120. The proposed project is consistent with the applicable city heraldic exequialist's report.	
121. The proposed project is consistent with the applicable city heraldic exequialist's report.	
122. The proposed project is consistent with the applicable city heraldic exequialist's report.	
123. The proposed project is consistent with the applicable city heraldic exequialist's report.	
124. The proposed project is consistent with the applicable city heraldic exequial
